Built in 2005, M/Y blue Fin is the first in the Blue o Two fleet and with her understated luxury and unique layout remains a very popular choice.

M/Y blue Fin is a traditional style liveaboard vessel in many ways but also has some unique twists that keep her standing out from the crowd!

Three huge king suites dominate the bow on the lower and middle decks, spreading the whole width of the vessel. All king suites benefit from a large double bed, ensuite facilities, air conditioning, mini refrigerators and personal entertainment systems with large plasma screen, making them the perfect private retreat for honeymooners or couples simply looking for a little extra space and luxury.

All other cabins are twins and are located on the lower deck. All benefit from ensuite facilities, air conditioning, mini refrigerators and personal entertainment systems.

M/Y blue Fin is equipped with a nitrox membrane, booster pump and can also cater for rebreather divers.

This tour is slightly more challenging, offering big drop-offs overgrown with huge gorgonians and colourful soft corals. On this safari divers will have the opportunity to explore a variety of truly unique dive sites home to some very interesting and unusual reef formations. This itinerary is perfect for divers wanting to experience a slightly more 'untouched' Red Sea and is not to be missed.

QUALIFICATION NEEDED: You must be a PADI Open Water diver or equivalent with a minimum of 30 logged dives to join this safari.

Elphinstone Reef

a Red Sea legend. One of the most beautiful reefs, with the northern and southern plateaus covered in hard and soft corals. This is a truly awesome reef.

Fury Shoal

an immense chain of reefs creating a host of outstanding dive sites including Abu Galawa in the north to Sataya in the south. Have fun exploring caves, tunnels, coral gardens, plateaus and drop offs! Abu Galawa is located within Fury Shoal - have fun exploring the wreck of 'Tug Boat'. The reef also has good coral dives on the west side.

St John's Reef

Exciting drop-offs overgrown with huge gorgonians and colourful soft corals, stunning coral gardens and safe anchorages for night diving. Barracuda, tuna and mackerel are often sighted here and on rarer occasion's manta rays and dolphins. Hammerheads, grey sharks, silvertip sharks and white tip reef sharks can often be spotted out in the blue.

St John's Reef North

Located one hour north of the main St. John's area. Have fun finding your way through tunnels and around pinnacles.
